

The official timer emoji is the 🕒 **Timer Clock**, which depicts a classic mechanical kitchen timer. There are also several other time-tracking emojis commonly used depending on the exact context: [\[1\]](#), [\[2\]](#), [\[3\]](#)

Types of Time Emojis

- 🕒 **Timer Clock**: Best for cooking countdowns, kitchen tasks, or time limits.
- ⌚ **Stopwatch**: Best for athletic sprints, sports, workouts, and measuring exact elapsed time.
- 🕒 **Alarm Clock**: Best for wake-up calls, reminders, and strict deadlines.
- ⌚ **Hourglass Not Done**: Best for indicating that a countdown is active or time is actively slipping away.
- ⌚ **Hourglass Done**: Best for indicating that time has completely run out. [\[1\]](#), [\[2\]](#), [\[3\]](#), [\[4\]](#), [\[5\]](#), [\[6\]](#), [\[7\]](#)

Would you like to know how these look on a **specific platform** (like Apple or Android), or do you need a **combination of emojis** for a specific text message?
